

Curriculum Vitae

- **Marzieh Nojomi, MD, MPH**

Academic Rank: Professor
Organization Iran University of Medical Sciences (IUMS)
School: Medicine
Department: Community Medicine

Address : Department of Community Medicine. School of Medicine. Preventive Medicine and Public Health Research Center. Iran University of Medical Sciences. Crossroads of Hemmat and Chamran Expressways: 15875-6171. Tehran, Iran

Tel: + 98 21 88602225
Fax : + 98 21 88602217
Email : mnojomi@iums.ac.ir OR mnojomi@gmail.com

- **Education**

- Medical education. Hamedan University of Medical Sciences. Hamedan , Iran First rank in the university (1986-1992)
- Community Medicine residency. Iran University of Medical Sciences, Tehran, Iran. (1995-1998). First rank in national board of community medicine exam
- Fellowship in Clinical Epidemiology. University of Washington. Seattle, USA, 2003

- **Complementary Courses**

- Control of Diarrhoeal Diseases (CDD) workshop. Iran University of medical sciences. Tehran, Iran. Summer 1997 . 5 days
- Acute Respiratory Infection (ARI) workshop. Iran University of medical sciences. Tehran, Iran. Winter 1997 . 3 days
- Breast Feeding Promotion workshop. Iran University of Medical Sciences. Tehran, Iran. Summer 1996. 5 days
- Research Methodology workshop. Iran University of Medical Sciences. Tehran, Iran. Winter 1999. 6 days
- Strategic Management workshop. Community Medicine Department. Iran University of Medical Sciences. Tehran, Iran. Fall 2002
- Education of electronic searching of sources in medicine. National Research Center of Medical sciences. Tehran, Iran. April 18, 2003
- Conference of establishing Mad cow disease surveillance programme in human. Tehran, Iran. Aug 28, 2002
- Using computer project in medical education workshop. Tehran, Iran . Sep 7, 2001
- Integrating psychiatric health in PHC workshop. Hamadan, Iran. July 29 to Aug 2, 1993
- Research methodology workshop for teachers of methodology . IUMS, Tehran, Iran. March 11 to 14, 1998

- Education of using GIS in epidemiology and health. Tehran, Iran University of Medical Sciences. 2006
- Education of using E-learning in medical education. Tehran. Tehran University of Medical Sciences. 2007
- Lecture in seminar of surveillance of infectious diseases, Karaj, Iran, 2007
- Lecture in seminar of surveillance of infectious diseases, Shahriar, Iran, 2007
- Qualitative research methods workshop, 25-27 Oct 2007, Tehran, Iran, held by UMEA university, Sweden and Iran university of medical sciences
- Assessment of medical education development workshop, Iran University of Medical Sciences, Tehran, Iran, 2007
- Methods of developing and using evidence-based clinical guideline workshop, 5-7 March 2008, Tehran, Iran
- International workshop on PhD supervision, 11-15 May 2009, Umea university, Umea, Sweden
- Integration of sciences and clinical medicine workshop. May 18th 2009, Tehran, Iran
- Research utilization workshop. Technology and research affairs of Iran University of Medical Sciences. Tehran, 14-15 Nov 2009
- New sampling methods for surveys among populations at risk of HIV. WHO, Knowledge hub for HIV/AIDS surveillance. Tehran, 19-23 Dec 2009
- Stata workshop. Tehran, 20-21 Jan 2010

• **Positions held**

- Head of Preventive Medicine and Public Health Research center from 2016
- Director of educational development center, IUMS, 2016
- Director of education and postgraduate office in IUMS, 2014-2016
- Chairman of Department of Community Medicine, Iran University of Medical Sciences, 2013-present
- Member of group of Women Health, Academy of Medical Sciences, 2012- present
- Professor of Community Medicine, School of Medicine, Iran University of Medical Sciences, 1998- present
- Chairman of Department of Community Medicine, 2005 -2011, Iran University of Medical Sciences
- Secretary of national scientific board of community medicine. Ministry of health & Medical Education, 2011 –present
- Member of editorial board of Journal of Social Determinants of Health
- Member of editorial board of Journal of Social Health
- Member of editorial board of Today Journal of Gynecology
- Member of editorial board of Journal of Injury and violence
- Member of editorial committee of International Journal of Preventive Medicine
- Member of editorial board of Journal of Family and Reproductive Health
- Member of board exam committee of community medicine specialist, 2008- present
- Member of Health System Research (HSR) committee of Iran university of medical sciences, 2007-2010
- Member of research committee of ENT research center of Tehran University of Medical Sciences, 2005- present
- Coordinator of education of community medicine assistants in Department of Community Medicine. Iran University of Medical Sciences, 1998-2000

- Research methodologist of research and consultant center of School of Medicine in IUMS, 1998-2010
- Member of research council of School of Medicine. IUMS, from 2001
- Faculty member of Ophthalmology Research Center. IUMS from 2003.
- Member of research council of Mental Health Research Center. Tehran Psychiatry Institute. From 2003
- Member of editorial board of Alborz University Journal from 2012

- **Experiences**

- **Teaching**

- President of the short course of clinical epidemiology. School of Medicine. Iran University of Medical Sciences.
- Lecture in short course of clinical epidemiology. School of Medicine. Iran University of Medical Sciences. February 2010 to October 2010
- Lecture in first Iranian community medicine seminar. Tehran. Tehran University of medical sciences. 20 July 2010
- Lecture in conference of prevention, control, and assessment of surveillance system of measles and rubella, Tehran, Karaj, 2009
- President of the first congress of rule of screening in control of diseases, Tehran, Iran. 2007
- Teaching research methodology of health for MPH students from 2005 .
- Teaching of research methodology and biostatistics of medical students from 1999
- Teaching SPSS software for faculty members of IUMS in 2 courses.
- Teaching epidemiology of common diseases for medical students. IUMS. From 1998 up to 2003 .
- Teaching research methodology for specialist assistants of medicine, IUMS. From 1998
